Caves of Can Marça and San Miguel beach on 30.09.2022

Explore the caves of Can Marça in San Miguel harbour, which are over 100,000 years old. They were discovered by smugglers and served as storage for their contraband – which had to be hauled up 8-10 metres from the sea to the entrance of the caves. Signs showing the escape route can still be seen today. From the entrance of the cave you have an excellent view of the bay. Free time at San Miguel beach (approx. 2 hours).
