

Decontamination certificate for medical devices

Due to legal regulations and especially for the protection of our personnel, we require a signed „decontamination certificate“ for every return shipment. Please ensure that this is completed, signed and enclosed with **every product return** (complaint/repair/other reason for return). Pack the products in such a way that there is no risk of injury to our personnel in the incoming goods department, when unpacking.

Order no.: _____

Item description: _____

Delivery note/Invoice no.: _____
